

**Labour Day celebration in School ( May 1 )students and teachers cleaning the school premises.**

**ROLE REVERSAL**

ON THE occasion of May Day, workers at St John's High School, Sector 26, were the guests of honour. Their job was taken up by teachers and students, who served tea, emptied dustbins, and kept the school premises clean. The school's Chef Club and Eco Club members prepared food for their guests. Students also presented a colourful programme for the workers. The objective was to uphold the dignity of labour.
